ABOUT CONFERENCE

Pokhara Multiple Campus (PMC), established in 2044 B.S., is a QAA-certified community campus committed to advancing academic excellence, research culture and innovation. In continuation for this mandate, the Campus is organizing a National Conference aimed at fostering scholarly dialogue, sharing emerging research trends, and strengthening academic collaboration among universities, researchers and professionals.

The National Conference provides a platform for presenting empirical studies, theoretical insights, and field-based evidence across disciplines. The program supports academic dissemination, capacity enhancement, and knowledge generation aligned with national higher-education priorities. It further contributes to strengthening institutional research visibility, promoting interdisciplinary engagement and creating an enabling environment for evidence-based academic practices.
