INTRODUCTION

Pokhara Multiple Campus (PMC), one of the Public campuses affiliated to Tribhuvan University, was established by a group of far-sighted educationists, entrepreneurs, social workers and locals in 2044 B.S in the initiation of the then Nagar Panchayat and Pokhara Chamber of Commerce with a mission of providing quality education in an international standard at affordable fee. It is the pioneer public campus in Pokhara established to offer options for the students who were deprived of

being enrolled in the only constituent campus of T.U., Prithivi Narayan Campus, and started running Proficiency Certificate Level (PCL) and Bachelor Programme in Pokhara-1, Tundikhel. At present it is located in Pokhara Metropolitan City ward No.9, Shantiban Pokhara. Now, PMC offers two Bachelors degree programmes. This campus has been the centre for Bachelor level competent students in Bachelor in Arts (BA) and Bachelor in Business Studies (BBS). Campus has offered the various scholarship

schemes to disadvantaged groups especially dalits, martyrs family and other marginalized people PMC has not only been successful to make its presence significant in the academic arena but also achieved enormous popularity among the parents and students. For the further development and its academic excellence, PMC has recently been certified by QAA from University Grants Commission, Nepal.

MISSION

- Achieve quality education by utilizing ICT and research-based student-centred teaching and learning approaches.
- Establish a research culture throughout the institution.
- Provide an opportunity for all students to improve their soft and life skills, which will enhance their employability.
- Establish a quality assurance culture that will uphold the process of quality improvement.

VISION

To achieve academic excellence, equity, and access to high-quality education by implementing ICT and research-based student-centred teaching-learning approaches.

GOALS

The goal of the Campus is to achieve academic excellence through the scientifically driven academic programs for equitable and accessible quality higher education.

CHAIRPERSON'S VOICE

Dear Parents, Students, and Well-wishers,

It gives me great pleasure to extend my thoughts and greetings to you all. Pokhara Multiple Campus operates with a structured and forward-looking approach to academic delivery and student development. Located in the heart of Pokhara, the campus has achieved consistent progress through the effective implementation of standardized educational practices. The institution is proudly QAA certified by UGC (2082), reflecting its adherence to nationally recognized quality assurance standards.

Academic programs are delivered in conjunction with a wide range of co-curricular activities, supported by sound physical infrastructure. These facilities are continuously maintained

and upgraded to ensure a conducive, organized, and efficient learning environment. The campus remains committed to preparing students for both academic advancement and professional success through systematic evaluation and skill-based development. Institutional processes are carefully designed to ensure efficiency, consistency, and accountability across all areas of operation.

The valuable input of parents, guardians, and community members is recognized as an integral component of the institution's continuous improvement framework. Constructive feedback and cooperative engagement play a vital role in strengthening our academic and administrative practices. The institution will continue to move forward with a strong emphasis on academic excellence, discipline, and long-term student

outcomes.

Furthermore, I sincerely acknowledge the continued support extended by our parents, guardians, and respected members of society. Their cooperation and valuable suggestions have significantly contributed to the growth and progress of the campus. I look forward to warmly welcoming you to Pokhara Multiple Campus.

OBJECTIVES

- ♦ Using a learner-centred approach to teaching and learning helps to ensure that students engage with the necessary readings, their colleagues, and their teachers.
- ♦ To improve the infrastructure and facilities for teaching and learning, as well as the teaching and learning resources.
- ♦ To establish an organization's governance, management system, and structure to promote organizational development.
- ♦ To incorporate EMIS into the framework for management, research, teaching & learning, and extension.
- ♦ To strive to improve the employability of its graduates by maintaining a dialogue with a wide range of stakeholders and ensuring professional capacity development opportunities.
- ♦ To improve student support by providing funding, counselling, an online library, and resources for academic advancement.
- ♦ To improve research initiative, innovation, and publishing of results.
- ♦ To promote public education, extension, and outreach initiatives.
- ♦ To provide co-curricular and extracurricular activities and guarantee that all students participate in them.

CAMPUS CHIEF'S VOICE

It is my pleasure to welcome you all at Pokhara Multiple Campus, the pioneer community campus in Pokhara. Our prime objective at this college is to provide quality education to equip our students with skills, confidence and a positive attitude and approach for all-round development. Our learning community offers a wonderful environment where students feel comfortable, secure and connected as they grow both academically and socially. We run Bachelors Degree programmes in Management and Humanities streams and have seen an excellent track record in terms

of academic results, graduates' satisfaction and career outcomes. The reputation, the college has acquired and established over these years, is due to the dedication and selfless commitment of our faculty members, and supporting staff. We are committed to carry on the legacy and are relentlessly striving to take the college to even grater heights. For the academic as well as overall quality enhancement, campus has completed its QAA proce-dure and got rewarded by Quality Assurance and Accreditation (QAA) as directed by University Grant Commission(UGC)
